New Project Thresholds

What type of project are you interested in applying for?

Does your organization have a current Performance Improvemant Plan (PIP) with AL-504 CoC?

Coordinated Entry - The project(s) will accept referrals exclusively from the AL 504 CoC Coordinated Entry System and follow all policies and procedures of AL 504 CoC Coordinated Entry System?

The project(s) will be low barrier and has removed the following barriers to accessing housing services and services:

Will your organization have a physical presence and provide services within the following counties: Montgomery, Autauga, Elmore, Lowndes, and Bullock counties? If so which counties will your organization have a physical presence?

New Project - Are there any unresolved AL 504 CoC or HUD monitoring findings, or outstanding audit findings related to this organization?

New Project - Will your agency enter data into AL 504 CoC's Homeless Management Information System (HMIS)?

New Project - (DV ONLY): Will you use a comparable database to HMIS?

NEW INFORMATION

Project Name:

Projected Requested Amount:

What county/counties will your project serve?

What county/counties will the project provide housing placement in?

What household type(s) will this project serve?

Projected number of participants to be served by this new project?
